Cellular One Establishes Headquarters in Missoula, Montana.

Missoula, MT –April 21, 2008 – Cellular One formerly Chinook Wireless, is excited to have moved its headquarters to Missoula, Montana in February, 2008. Cellular One provides service from more than 47 retail locations in Montana and Wyoming, as well as, across portions of Texas and Oklahoma.

The move to Missoula has created the opportunity for Cellular One to expand their sales and marketing departments, with the addition of up to 20 people. “All of our markets are very important to us....we strive to place staff in each market to support our retail stores and our customer base” stated Rosie Serna, EVP/Chief Operating Officer who is now based in Missoula.

Cellular One offers exceptional coverage in Missoula and surrounding areas in Montana and across the nation, with new national calling plans that meet the expanding needs of all of their customers.

“We are very excited about expanding our services. Our focus will continue to be on providing outstanding customer service” stated Jonathan Foxman, President and CEO of Cellular One.

Cellular One has invested millions of dollars in its network and will continue to expand its service with state-of-the-art GSM technology. The premier network offers consumers nationwide service in addition to enhanced voice and data services. The company offers a large selection of the latest Smart Phones, video and camera phones.
