**Cellular One School Rebate Program Helps Twin Bridges High School Seniors Attend FCCLA
Conference in Nashville**

Missoula, MT - May 13, 2009—Continuing to demonstrate their commitment to giving back to local Montana communities, Cellular One presented the first of a quarterly donation check to Twin Bridges High School on Tuesday, April 21, 2009. The donation is part of the Cellular One School Rebate Program, which offers customers the opportunity to identify a school of their choice to receive 3% of their cell phone bill each month. This first quarterly check donation represents the very first customers who have signed up for the program. The more customers that sign up, the greater the checks become.

Principal and Superintendent, David Whitesell, and Family Consumer Science Counselor, FCCLA Advisor, and Class of 2010 Advisor, Janis Denson accepted the check on behalf of Twin Bridges High School. "We plan to use this donation from Cellular One to help us send 4 of our top seniors to the 2009 Family, Career and Community Leaders of America (FCCLA) National Conference in Nashville this May," remarked Denson. Whitesell added, "We are very excited about the potential of the Cellular One School Rebate Program." He continued, "Cellular One is the only carrier with coverage throughout the town of Twin Bridges. If we could inspire all of their customers within the area to sign up for the program, it would mean quite a lot in donations for student programs like FCCLA."

The Cellular One School Rebate Program allows Montana schools to raise much-needed funds at no cost to the schools or to the participants. Any Cellular One customer may decide to participate by simply selecting a school of their choice. Cellular One then donates 3% of that customer's monthly service fee to the school on a quarterly basis to be used at the school's discretion.

"Cellular One is committed to giving back to the state of Montana in any way that we can," stated Jonathan Foxman, President and CEO of Cellular One. He added, "We understand how vital corporate funding is for our nation's schools and for the education of our children. The Cellular One School Rebate Program provides an opportunity for our customers to put their hard earned dollars right back into their own local communities by allowing them to select a school of their own choice."

Cellular One customers can sign up to participate in the School Rebate Program at any time by visiting a local retail store or authorized dealer location. This program is offered exclusively through Cellular One. Schools are also encouraged to reach out to Cellular One to discuss additional

ways that they can participate in the program and begin receiving funds on behalf of Cellular One customers.

About Cellular One

Cellular One is recognized for the quality of its state-of-the-art GSM network, which allows for exceptional nationwide coverage, and for a remarkable team that is committed to the company's mission of delivering *'knock-your-socks-off'* service.
